

# EREE 2022

4<sup>th</sup> Intl. Conf.

Environment, Resources and Energy  
Engineering

Co-Sponsored by

Technical Sponsored by

## Proceedings

Published on EREE 2022 Conference Proceedings after reviews  
Indexed by **Ei Compendex**, **Scopus**.

## Submission

Full paper and Abstract both can be accepted.

1. Online Submission: <http://confsys.iconf.org/submission/eree2022>
2. Email to: [eree\\_contact@academic.net](mailto:eree_contact@academic.net)

## Acceptance Request

1. The research should be original, professional and perfect for the topic;
2. The article is written in Standard English and no less than 4 pages;
3. Only full paper will be published on EREE conference proceeding;
4. The full paper should be revised with following template:  
<http://www.eree.org/IOP-Template.doc>
5. Results reported have not been submitted or published elsewhere

## Important Dates

Submission Deadline | **February 01<sup>st</sup>, 2022**

Notification Deadline | **February 20<sup>th</sup>, 2022**

Registration Deadline | **March 10<sup>th</sup>, 2022**

Conference Dates | **June 10<sup>th</sup>-12<sup>th</sup>, 2022**

### Contacts Information

Ms. Jasmine Nieh

Email: [eree\\_contact@academic.net](mailto:eree_contact@academic.net)

## Topics

### Environment

- Aquatic, atmospheric and ecological environment
- Emerging contaminants
- Environmental biology, chemistry & microbiology
- Environmental safety and health
- Climate and climatic changes
- Global warming
- Ground water remediation
- Water Treatment
- Environmental sustainability
- Environmental systems approach

### Resources and Energy

- Renewable energy
- Alternative fuels
- Nuclear power
- Energy technology, conversion and efficiency
- Energy transfer, storage and planning
- Thermodynamics
- Energy systems and analysis
- Actual Resources
- Stock, biotic, abiotic and potential Resources
- Reserve Resources
- (Non-)Renewable Resources
- Natural Resource Management
